GET HELP FROM A VOLUNTEER

- Are you new in Denmark or new to leisure activities in your local community?
- Does your child want to join a leisure activity like football, scouting or swimming lessons?
- Do you want assistance in the search for local leisure activities?
- Or do you need assistance in signing up to an activity?

If so, you can get contacted by a volunteer, who can help you and your child get a good introduction to the Danish associations. A volunteer from Fritidskorpset can also help you apply for contingent support to pay for the leisure activity.
